

Dog Walker position with Alpine Dogs

The ideal candidate:

- is physically fit and able to hike in all weather conditions, doing two 1 ½ to 2 hour hikes daily
- is comfortable handling a group of dogs of all of sizes, breeds and temperaments
- will represent Alpine Dogs in a professional manner on and off the trail working closely with our clients
- is honest, trustworthy, reliable and courteous
- has an eye for detail and is organized
- has a strong understanding of canine behaviour and positive reinforcement training or is willing to learn
- has a good knowledge of the Whistler area and hiking trails
- has previous experience as a dog walker
- is canine first aid certified or is willing to obtain certification
- is available to work weekends and holidays
- can calmly handle emergency situations and follow company procedures
- can provide a drivers abstract and criminal record check

If this sounds like you, we'd love to hear from you!

Please email your resume with references as well as a cover letter outlining what makes you the perfect candidate for the position.
